Reports Menu

▶ Summary Reports

Dashboard, Executive, Master and Trending reports. Select this option to view executive summary reports and dashboards summarizing key information.

Detailed Reports

Outline specific information in the system by a variety of parameters and filters. Areas include Attendance, Case Management, CRM, Employer, Financial, Individual, provider and more. Select this option to view reports outlining specific information in the system by a variety of parameters and filters.

Search

Custom Reports

Create, edit and share custom reports with your team, department or even other states. Select this option to view reports developed for specific states.

Federal Reports

Federally mandated reports for EEO, WIOA performance measures, and more.

Live Data

Live updating data visualizations for Registrations, Job Orders, Resumes UI Certifications and Claims. Automatic refresh settings and full screen display options make these reports perfect for large displays.

Summary Reports

▼ Summary Reports

Dashboard, Executive, Master and Trending reports. Select this option to view executive summary reports and dashboards summarizing key information.

Dashboards

View dashboard reports documenting specific data on activity by: grant, jobs (openings, orders and referrals), and registered accounts (individual and employer).

Executive

Reports for executive and program management, mobile app usage, and the Performance Gauge report for WIOA Performance Measures.

Master Summary

View activity counts by: LWIA, region, office, month, staff, and programs. For a broad overview, select the Detail Master Summary report, or analyze trends using the Activity Trend report.

Trend

Analyze monthly, quarterly, or yearly trends in individual and employer registrations; job openings, referrals, and orders; and, WIOA Activity trends and comparisons.

Executive

Executive

Reports for executive and program management, mobile app usage, and the Performance Gauge report for WIOA Performance Measures.

▼ Executive

These reports provide monthly or annual statistics on industry employment, services, job postings, placements, referrals, and training programs and services.

<u>Employment Statistics</u> <u>Facilitated Services</u>

<u>Job Placements</u> <u>Job Summary</u>

<u>Registered Veterans</u> <u>Strategic Services</u>

▼ Performance Gauge

A graphical representation of data for WIOA Performance Measures.

<u>Summary Gauge</u>

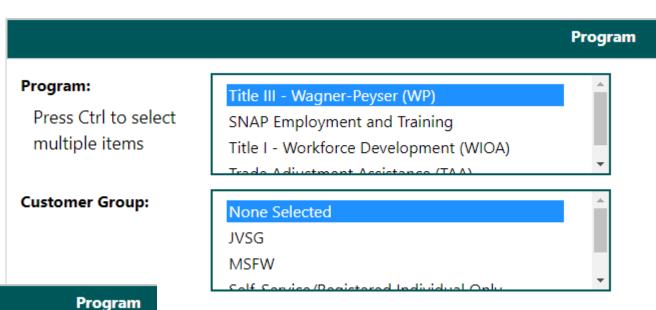

▼ Program Management

Reports to assist staff in identifying specific participant levels for identifying program participants by specific exceptions, age ranges, or In-School versus Out-Of-School definitions.

▼ Detailed Reports

Outline specific information in the system by a variety of parameters and filters. Areas include Attendance, Case Management, CRM, Employer, Financial, Individual, provider and more. Select this option to view reports outlining specific information in the system by a variety of parameters and filters.

Administrative Reports

Administrative reports for staff alerts, staff by privilege group, and staff services.

Case Management - Program Specific

Reports grouped by a specific federal or local program containing detailed information unique to that program.

Case Management Reports

View reports providing a snapshot of various case management indicators prior to federal reporting. Identify key indicators, such as individuals who are soon-to-be soft exited, youth missing listed goals, or individuals currently enrolled without case assignment.

Employer Reports

The Employer Reports group provides data such as internal and external job order information, employer registration information, job referrals and more.

Financial Reports

The Financial Reports group includes reports for managing Individual Fund Tracking (IFT).

Individual Reports

The Individual Reports group provides data on registered or enrolled individuals, mainly from information provided by individuals to the system.

▶ Provider Reports

Reports displaying information about provider institutions, their programs, and contacts.

Services Reports

View reports providing data on staff-provided services to either individuals or employers.

▶ Staff Efficiency & Tracking Reports

Track services associated with events, system measures, messaging, and survey results.

▼ Individual Reports

The Individual Reports group provides data on registered or enrolled individuals, mainly from information provided by individuals to the system.

Assessment Results

Reports displaying the most common assessment results for a particular area or region.

Background Information

Information from data provided by registered individuals to the system through the Background Wizard, including drivers license type and endorsements, desired salary, education, and work experience.

Contact

Reports listing contact information to assist staff members in contacting individuals.

▶ Enrolled Individual

View reports on enrolled individuals by various criteria, such as age, education and work status, with filters by program, subprogram, type, county, or veteran status, among others.

Registered Individual

Report data from information entered into the system by individuals during registration.

Résumé

Reports detailing information on the résumés created by individuals in the system.

Case Management - Program Specific

Reports grouped by a specific federal or local program containing detailed information unique to that program.

Generic Programs

This report lists participants in one of the system's Generic programs scheduled to exit the program within a specified period.

▶ SNAP

Reporting for the Supplemental Nutrition Assistance Program, displaying data on enrollment, user counts, case assignment, and SNAP 583.

Trade Adjustment Assistance (TAA)

Trade reports displaying data on participants, petitions and petition number, TAA follow-up, and more.

Wagner-Peyser

Reporting for Wagner-Peyser displaying data for ineligible applications, and participant tracking by layoff date and employment entered by assistance or self-service.

▶ WIOA Title I

Reports organized by specific federal WIOA program groups displaying detailed data unique to WIOA programs.

▶ WIOA Youth

Reporting for WIOA Youth program participation and services.

Case Management Reports

View reports providing a snapshot of various case management indicators prior to federal reporting. Identify key indicators, such as individuals who are soon-to-be soft exited, youth missing listed goals, or individuals currently enrolled without case assignment.

Case Load

View reports providing a snapshot of various case management indicators prior to federal reporting. Identify key indicators, such as individuals who are soon-to-be soft exited, youth missing listed goals, or individuals currently enrolled without case assignment.

Documentation

Case note and document management reports where staff can retrieve a case note in the system, multiple case notes sharing a common keyword, or documentation provided by program enrollees.

Predictive

Reports to assist staff in predicting the reporting results and outcomes of data that parallels WIOA quarterly and annual reports.

Staff Referrals

View reports on the services, follow-up activities, or training referrals made by staff. Track referrals by referral type, provider, or staff.

Training

Reports displaying WIOA program training statistics by grant, office, provider, region/LWIA, and by staff assigned.
